

The Football Foundation was created to acquire and manage funds for New Zealand Football and to provide the long-term financial support needed to grow football in New Zealand. This growth plan includes building the profile of the game, encouraging participation, and improving facilities and training for all Kiwi's, especially youth.

JOIN THE INTERNATIONAL PLAYERS ALUMNI

As part of the future development and sustainability the Football Foundation has created an Alumni programme designed to recognise those who have represented their country in both Football and Futsal.

As the New Zealand Football Foundation develops and grows, it's planned to further expand the services and benefits making sure that all Alumni are involved and benefit, not just a select few former players.

All former representatives who join the International Players Alumni will receive:

- Photo and number of appearances displayed online along with other International players
- Symbolic physical gift from New Zealand Football
- Access to two tickets (on a request basis for your own use) to all future All Whites games in New Zealand with all Alumni players sitting together.

Help us do that by taking the first step and become a Registered Member, or if you're already a Registered Member, then encourage another former New Zealand Representatives to join and become an active member of New Zealand Football's greatest family.

APPLICATION

Please complete the application form below and return to Noel Barkley: noel@footballfoundation.org.nz
Donations can be electronically transferred to account: 12 3136 0264535 00
